SEX DRIVE PART 3: MISTAKES TO AVOID

Sometimes keeping the literal fire going can help keep the figurative fire going. NOT helping out with the basic household and family tasks can quickly extinguish the libido. Even worse, letting the wood stove burn out on a cold day and putting out a bid for sex. That is just bad form!

WHAT I AM READING

BE A PLANT-BASED WOMAN WARRIOR: LIVE FIERCE, STAY BOLD, EAT DELICIOUS

by [Jane Esselstyn](#) and [Ann Esselstyn](#)

Whatever you're eating these days, this cookbook will light up your menu! Jane and Ann have created the most delicious plant-based recipes for any and all. Whether you are plant-based, plant-curious or open to adding an occasional plant-based meal to your repertoire, this cookbook is for you. I had the opportunity to test dozens of these recipes and have served them to family and guests at Pierce's Inn. People dig this healthy food! Also, the photos are beautiful and the stories throughout the book are fascinating.

Watch Jane and Ann's cooking show on YouTube [HERE](#). Order the book [HERE](#).
