March 2024 Newsletter

Hello Readers,

I am excited to perform **two different shows** this spring.

1. On **Monday, March 25th at 7pm**, I will perform a new show, ***WRANGLING THE DRIFT*** at Briggs Opera House. I will tell stories about my experience as one of the caregivers for my mother during the last few years of her life with dementia. This is a **ONE-NIGHT-ONLY benefit performance** for both [WALK TO END ALZHEIMER'S UPPER VALLEY, NH/VT](#), and [JUNCTION ARTS & MEDIA](#).

Note: **This show is not *KEEPING IT INN***. Read on...

2. On **Thursday, April 25th**, I will begin a **fourteen-show New England Tour** of [Keeping It Inn](#). Please spread the word to people you know who may want to see *Keeping It Inn* in [Portland, ME](#), [Middlebury, VT](#), [Kittery, ME](#), [Manchester, VT](#), [Watertown, MA](#), [Burlington, VT](#), or [WRJ, VT](#). Please go to [my website](#) to find information about theater locations, tickets, and other details about the shows.

Thank you for your support,
Cindy

Keeping It Inn

New England Tour

April 25th - June 9th, 2024

Cindy Pierce will touch your heart, make you laugh, and likely inspire a tear or two as she shares stories of her

beloved mother, Nancy, and her family’s journey with dementia. Cindy will focus on her experience as a caregiver to share moments of high comedy and profound loss, familiar to so many who have supported a loved one with dementia. Cindy will take you on a tour that just might help you discover that we're all in this together.

Pierce’s portrayal of her mother in *Keeping It Inn* explores family connection; caregiving for aging parents; devastating loss; a long, loving marriage; unhealed pain; and what holds in a person’s mind even when dementia robs their memory.
